When submitting your work, please place in Google Docs, share with your teacher, and allow editing.

You must also share (by emailing your teacher the link) your website with your teacher as soon as it is created.

**A) Textbook Assignment:** Please label each assignment with headings posted in the text.

1. Read Chapter 7 and complete all questions in the Chapter Review on page 177.

Name: \_\_\_\_\_

Due Date/Time/Place: \_\_\_\_\_

## **Photography 2: Assignment 2**

### **WELCOME TO PHOTOGRAPHY CLASS!**

Required Textbook: *Focus on Photography* by Hermon Joyner and Kathleen Monaghan

When submitting your work, please place in Google Docs, share with your teacher, and allow editing.

You must also share (by emailing your teacher the link) your website with your teacher as soon as it is created.

#### **A) Photojournalist Study**

1. Choose a photojournalist you are interested in and type out a small Career Profile on this person. This assignment should be about 200 words in length, word processed.

#### **B) Project for the Website**

1. Write an article for a magazine or newspaper. Pick a subject you are passionate about. You will want to have at least 3 photos with this article. Your article should be at least 200 words in length and word processed. Be sure to cite your sources on a separate page (you can use [easybib.com](http://easybib.com) to organize your sources). Post your article on your website.
